PROVOST’S ANNOUNCEMENTS

The United Way of Berks County is launching an Early Grade Reading Initiative to create a comprehensive county-wide system of support with the goal of all Berks county students achieving reading proficiency by the end of third grade. Research has shown that third grade reading scores are highly correlated with later academic and life-long success. This initiative, still in its infancy, will have many components. A first strategy is to significantly increase the level of reading tutors for third graders. The Provost, who is serving on the advisory council, is seeking classes, student organizations and individuals who may be interested in participating in this critical initiative for our community. Please contact her if interested.

The World Affairs Council of Greater Reading’s newsletter is attached. Faculty is encouraged to attend these events. Also, the Council is always interested in partnering on events, so feel free to contact them if you have ideas for events or speakers consistent with their mission. See their website at www.wacreading.org.

Sabbaticals: There are three faculty on sabbatical during the Fall of 2012. They are: Dr. Irene Langran, Associate Professor of Political Science, Dr. Bill King, Professor of Religious Studies and Dr. Brenda Ingram-Wallace, Associate Professor of Psychology. Please note that faculty on sabbatical are not expected to participate in any college events or to respond to email or phone calls during the period of the sabbatical.

Update on status regarding Albright College’s Periodic Review Report to the Middle States Commission on Higher Education, from Dr. Brian Buerke, who led the process: On August 2 Albright received the MSCHE reviewers’ reports on our PRR. I am pleased
to announce that the reports were positive and the reviewers are satisfied that Albright responded to the self-study recommendations and is in compliance with MSCHE standards. Copies of the reports can be found on the College’s SPIRA web site on the Intranet: https://admin.albright.edu/spira.php. As required, we have submitted our response and MSCHE will consider all the materials and render an official decision in November. I am most grateful to Dr. Buerke, as well as to Dean Foster and Jack LaFayette, who together led this process to its successful conclusion. I also wish to thank all of you for your contributions to the report.
