1. I understand that the Residential and Food Service Contract is for ONE ACADEMIC YEAR, including BOTH fall and spring semesters.

2. Should I wish to cancel this binding contract for any reason, I understand that the OFFICE OF RESIDENTIAL LIFE must receive written notification of such cancellation on or before July 20, 2012 in order to cancel the contract without financial penalty. I understand that after July 20, 2012 the contract is binding.

3. Should I decide that after July 20, 2012 but before the start of the semester that I do not wish to live on campus, I understand that I must pay a financial penalty of $500.00 to cancel my Residential and Food Service Contract; however, should I wish to retain my meal plan despite not living on campus, I must pay $300.00 to cancel only the residential portion of the contract.

4. Should I decide that I do not wish to live on campus after the start of the semester, I understand that I must pay a financial penalty of $500.00 to cancel my Residential and Food Service Contract, or $300.00 to cancel only the residential portion of the contract, as well as the prorated charge for the time period that I lived on campus, as calculated by the College refund policy, which may be found in the College Catalog.

5. I can remain in student housing during INTERIM session, without charge, if I am enrolled in classes at Albright College or participating in an approved College-related activity recommended by the appropriate Vice President and approved by the Vice President for Administrative & Financial Services. However, should I subsequently cancel either or both aspects of the contract, I will be charged separate fees for the Interim session and spring semester (see fee schedule for specific housing and food service fees) in addition to any penalties or prorated charges as identified above.

6. I am allowed only one meal plan change each contract year in the first two weeks of the initial semester. For academic year 2012-2013, all changes must be made by September 7, 2012. For spring initial-registrants all changes must be made by February 1, 2013.

Note: The 2012-2013 Contract Terms will take precedence over this document. All resident students must agree to the contract terms when they apply online for housing. Students will be unable to move forward with the housing selection process if they do not agree to the terms online.
