## Moving/Visiting Off-Campus

An off-campus living experience is an exciting time! Along with this new experience come new responsibilities to the neighborhood community you are entering. Please take a moment to review the following tips which will help you to stay safe and establish and maintain a positive relationship with your new community. Please keep in mind that this is your home; don't do anything you wouldn't do in your own home!

## Safety Tips

Here are some tips to stay safe!

- Use main or well-lit pathways or sidewalks when traveling at night
- Use the buddy-system rather than walking alone
- Do not venture into unfamiliar neighborhoods
- Do not accept rides from strangers
- Lock your car
- Park in well-lit, well-traveled areas
- Keep all articles out of sight in vehicle by placing them in your trunk
- Do not drink and drive
- Do not drink if you are underage

## Respect Your Neighbors!

PLEASE REMEMBER that some of your neighbors may not be students and may have a different lifestyle. Keeping this in mind, it is important to recognize how your behavior affects the people around you. Your behavior, positive or negative, reflects the entire Albright community.

Here are some tips to ensure you have a positive off-campus experience:

- All hours should be considered 'quiet hours'
- Avoid loud music and large parties
- Maintain your property
- Make sure your smoke detectors are working
- Dispose of trash properly
- Be friendly and introduce yourself to your neighbor(s)
- Comply with local, state and federal laws

While living off campus you are part of the Reading/Muhlenberg community and you will be held to the standards of that community just like other community members. The Reading/Muhlenberg Police Department has jurisdiction to respond to your off-campus residence if they receive complaints from neighbors and other community members about your behavior. The college, after learning of such complaints, may take action as necessary.
