MEANINGFUL EXPERIENCES
GETTING INVOLVED AS A PARENT AT ALBRIGHT COLLEGE

ADDING TO THE ALBRIGHT EXPERIENCE
Students new to Albright College soon find a wealth of new experiences and educational opportunities available to them here. In fact, many students have told us that by the time they graduate, they've come to consider their time at Albright the best thing that's ever happened to them.

For many students, the involvement of their parents adds yet another dimension of satisfaction to the Albright experience. When parents become involved, the entire Albright community, as well as their own student, benefits.

Following are a number of ways you can get involved in both your student's education and the life of the Albright community. After you look through the many opportunities, we hope you'll decide to join our team of parent volunteers. When you do, you'll have the satisfaction of knowing that you're making a positive contribution to your student's experience at Albright College.
