Where did opportunity take you?
Dear Student,

We hope that your transition to the Albright College community from your study abroad/off-campus study experience has been a smooth one. We are currently building an information file of past study abroad or off-campus domestic programs and we need your help.

Students searching for programs are looking for first-hand information that provides them with a realistic view of what to expect. One of our objectives is to generate a list of preferred programs based on your feedback. By returning this evaluation form, you will be helping us reach our second objective, which is to advise students about the various programs that are available to them.

We would appreciate your cooperation in returning this evaluation form to the Study Abroad Center, Selwyn Hall South Wing, no later than two weeks from the day you receive it. Please complete the form legibly as your information is important to us.

We hope that you will enjoy recounting your experiences and we look forward to receiving your evaluation form.

Thank you again for your cooperation.

— The Staff of the Study Abroad Center
