How We Can Help

Aging is becoming increasingly complex and living in a fast-paced society is not easy.

Seniors and their families benefit significantly from a single organization dedicated to helping them meet all of the challenges they face. Berks Encore’s staff, along with its volunteers, are committed to helping people access a myriad of government benefit programs.

Through the APPRISE Program, trained staff and volunteers offer assistance with their insurance related needs. Issues handled by the APPRISE program range from health insurance counseling, Medicare, HMO’s, supplemental insurance, medical assistance, and long-term care insurance. In addition, eligible seniors are able to receive Produce Vouchers in association with the PA Department of Agriculture, rent and property tax rebates, PACE (prescription assistance), LIHEAP (fuel assistance), and free notary service.
