

This form is an application supplement for students who apply test-optional, i.e., without submitting SAT or ACT scores as part of their application.* Applicants who submit standardized test scores are not required to complete this supplement.

*International students must apply using Albright's international application and must submit their TOEFL and/or SAT or ACT scores.

Test-optional applicants are considered for admission on an equal basis with those who submit standardized test scores. This equality extends not only to admission, but to all Albright programs, including merit scholarships.

GENERAL INFORMATION

Name _____
last *first* *middle initial*

Permanent home address _____
number and street

_____ *city* *state* *ZIP*

Home phone (_____) _____ Cell (_____) _____

E-mail address _____

APPLICATION INFORMATION

Have you already submitted your application to Albright? Yes No

Type of application being submitted: Albright online application Albright paper application Common Application
 Universal application Other _____

Are you applying for the: Fall semester Spring semester

TEST-OPTIONAL APPLICATION INFORMATION

Those who apply test-optional are required to have an on-campus interview. The applicant will talk with a member of the admission committee, who will want to become familiar with the applicant and discuss the applicant's high school curriculum. This may sound intimidating, but these interviews are in reality quite conversational and non-threatening.

My signature below indicates that I wish to apply test-optional to Albright. I understand that, should I enroll, my test scores will be requested so the College may study its test-optional policy. My signature also is my pledge that all information in this supplement is complete, accurate and honestly presented.

SIGNATURE _____ DATE _____
