Group Fitness Class Description

Spring 2017

Arthritis Exercise Program-This class is aimed at reducing pain and stiffness, maintain and improve mobility, muscle strength and functional ability. Arthritis Foundation Exercise Program classes are conducted by trained and certified instructors in partnership with the local Arthritis Foundation Chapter.

Awesome Abs- Are you looking for 6-pack abs-take 20 minutes out of your day to target your mid-section! 20 minutes doesn't sound like much but give it a try and we will prove differently!

Line Dancing- This class will include beginner and intermediate dances to Country, Modern, and Caribbean music. Come out and get some EXERCISE, work on balance, memory, and have FUN too!

Total Body Xpress (30 mins) - A total body workout involving hand held free-weights, resistance bands, and balls. This class is power- packed and will leave you feeling challenged and re-charged!

Silver Sneakers Classic- Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support. This class is perfect for first-time exercisers, 65+.

Fit at 50+- Join in the fun and improve your health with this basic group fitness class that will help enhance your range of motion, improve over-all body strength and pump up the action of the lungs. Exercise intensity is focused for those who have some fitness training experience. The exercises are safe and easy to follow and most of all, fun!

Yoga Flow - All-Levels Vinyasa welcomes all students and will flow through poses with a focus on alignment. Modifications are encouraged to allow participants to make each pose their own. This moderate paced class will help build and maintain flexibility, strength, and an awareness of your breath. Whether you are feeling the aches and pains related to stress, studying, working over your computer, or muscle soreness from exercise, this class is sure to help you feel good- mind, body, and soul!

X-Biking- Interval based cycling class that utilizes upper body strength and endurance. Classes are 45 minutes and suitable for all-levels. Space is limited so you **MUST** sign-up in advance at the front desk **NO MORE** than 60 minutes prior to the start of class. If you are a beginner, please arrive early to allow time for bike-set up. **Bring a water bottle!**

Zumba- Shake your hips and use muscles you never thought you had! This exciting cardio workout is inspired by the merengue, salsa, and other varieties of Latin dance choreographed to be easy-to- follow but sure to make you sweat!
