Financial Aid Office

2020-2021 Unusual Enrollment History

STUDENT NAME: _____ STUDENT CELL PHONE #: _____

ALBRIGHT E-MAIL: _____

The Department of Education recently informed us that your enrollment history while receiving federal financial aid funds is unusual. This status code triggers when students receive federal financial aid from multiple institutions over a period of time. The Albright College Financial Aid Office is required to collect information from you that clears this code. You must complete and submit this form with all documentation listed below for the following academic years: 2016-2017, 2017-2018, 2018-2019 and 2019-2020.

Step 1: Print your Federal Financial Aid History

You may obtain your federal financial aid history by logging onto www.nslds.ed.gov. Access the NSLDS system using your Social Security Number, last name, date of birth, and Federal Student Aid ID (FSA ID). Print the *Financial Aid Review* page and attach it to this form.

Step 2: Obtain Previous College Transcripts

Copies of all college transcripts for the four years listed above must be attached. If you are unable to obtain an official transcript, you may submit an unofficial transcript or grade report from the institution. If a copy of your transcripts are on file with Albright College, select the appropriate box below. We will collect this information from either the Office of the Registrar, or from the School of Professional Studies. If you did not earn credit at any of the previous institutions, please continue to Step 3.

Step 3: Letter Explaining Circumstances

If you failed to earn academic credit while receiving federal aid, you are required to explain the circumstances. Please attach to this form a typed, signed, and dated statement regarding your situation.

Step 4: Supporting Documentation

It is important to submit documentation that supports your explanation. Examples of acceptable documentation are death certificates, job loss or update documents, or marital status change forms.

I certify that all information provided or included with this form is true, complete and correct to the best of my knowledge. Statements or representations found to be false will be cause for denial, reduction, withdrawal and/or repayment of financial aid.
