

2022-2023 Financial Aid Special Circumstance/Appeal Form

STUDENT NAME: _____ STUDENT CELL PHONE #: _____

ALBRIGHT STUDENT ID: _____

PLEASE NOTE: You must file a Free Application for Federal Student Aid (FAFSA).

If your income has recently decreased, or you have special financial circumstances that were not taken into account on your FAFSA, we may be able to reevaluate your financial need based on your actual 2021 tax year income, or a projection of your 2022 income. For dependent students, we consider both student and parent incomes. For independent students, we only consider the student and the spouse's incomes.

You have the right to advise the Financial Aid Office, Albright College of changes in family circumstances that you believe impact your Free Application for Federal Student Aid (FAFSA) and, accordingly, your ability to support your education during academic year 2022-2023. Circumstances considered include, but are not limited to, death, financial losses linked to natural disaster not covered by insurance and COVID, significant medical or dental out of pocket expenses, one-time income shown on your 2020 IRS 1040 form, losses of income beyond control of the family, and marital status changes. Our goal is to respond to your appeal request within **30** business days.

Please Include With This Form

1. A **signed cover letter** noting specific dates of each circumstance and the cost associated with the circumstance.
2. This **form** completed in its entirety, along with signatures of all parties and date.
3. **Documentation** supporting all circumstances included in your cover letter.
4. Please note, the Financial Aid Office will notify you of its decision by e-mail sent to your Albright College email address. Appeal forms submitted without supporting documentation will be considered incomplete and will not be reviewed.
