

ALBRIGHT COLLEGE | ANNUAL FACULTY ANNUAL REPORT (AFAR)

Note: This is a pdf version of the online form that all full-time faculty are required to complete by May 31. Some faculty find it useful to use this to prepare their submissions to the online form. The online form is available here; select AFAR 2022:

<https://studentedocs.albright.edu>.

– Karen Campbell, Provost and Senior Vice President; Adam Hersperger, Professional Council Chair April 15, 2022

Purpose:

- The AFAR provides a standard format for faculty to succinctly report their annual work-related activities relevant to teaching; professional output, including scholarly and creative work; and college and community service.
- The AFARs will become part of each faculty member's personnel files.
- AFAR will be a resource for department chairs relevant to preparing annual department reports, compiling faculty bibliographies, etc., and providing prompts for annual conversations with department colleagues.
- AFARs will be a resource for the Provost's Office relevant to compiling information for such things as accreditation reports, reports to the Board of Trustees, biographical sketches needed for press releases or grant proposals, award nominations, etc.
- For reviews by the ACRT, by including annual AFARs in the portfolio, readers will be provided with a consistent at-a-glance summary of a faculty member's activity since the last review. AFARs will also provide a helpful prompt for self-reflection and self-evaluation by faculty, which is a critical part of the review process.

Completion of AFAR

- The AFAR will be digital, to be completed electronically by all full-time faculty annually. Completed reports will go simultaneously to the department chair(s) and the provost's office.
- AFARs should be completed no later than May 31.

Even if we can get it to prepopulate, we need to make sure there is an opportunity for a faculty member to correct, delete, or add information in this section.]
