Undergraduate Research Committee					
Membership: It would be optimal to have an equal representation between the three divisions of the college(including the UGR who serves as chair) for a total of nine members. This should yield sufficient breadth of interest and expertise to aid in the scoring an final awarding of ACRE awards. Other membership includes the director of the Experience Program who is appointed by the Provost. The chair and at-large memebers are appointed. It would also be beneficial to have one cross appointment with the EPC.
