

We used to swipe to FollowMe print,

# Now we Tap to PawPrint!

## Need to print a Document?

- Step 1.** Make sure the MFD is not in Power savings mode before you Tap your ID card. If the display is dark, press the wake/sleep button
- Step 2.** Login to the MFD by Tapping your College ID on the **Card Reader**. If you do not have your ID card you can login to the MFD with your LionLink Account.
- Step 3.** On the MFDs input touch screen select **Sharp OSA** (upper edge of screen).
- Step 4.** In the OSA module Select **Ysoft SafeQ**
- Step 5.** In The **YSoft SafeQ** Waiting section, select the documents you would like to print.
- Step 6.** Press the on screen **Print** button.

## First Time Using PawPrint?

To be able to use your Albright College ID card with **PawPrint**, you must first associate the your ID card with your **LionLink** account:

**Step 1.** Tap you ID card on the **Card Reader**

**Step 2.** Enter your LionLink username and password on the MFDs input display and press the “Login” button
