

Berets, Books, and Browsing: an Analysis of the Beat Generation, Beatniks, and Wix

Abigail Ensslen - Albright College '21

Wix and Student Presentations

Key Beat Terminology

What is Wix?

- It is fast and easy to create content
- Allows users to utilize free design templates or create from scratch

Beat Generation

The time period between 1947 and 1958 that shaped the Beatnik movement. These people wore regular clothes of the time and partook in poetry and music.

Beatnik

Created in the later 1950s, these people wore the black clothes, had sleek hair, and an existentialist life perspective. One influence of beauty can be singer Juliette Greco.

-Wix is a free website building platform.

Student Benefit

- Digital Portfolio
- Free Service
- Good for All Skill Levels

Creators

Allen Ginsberg

Jack Kerouac

William S. Burroughs

Neal Cassady

The platform is available for anyone looking to start their website for personal or professional use, with the ability to attach anything from photos, to blogs, to an online store.

“As someone who has never created a website, this platform was incredibly simple to use, and I was able to make a full project with ease.”
